The best under the sun

markilux 1300

Robust, reliable and fulfils all the expectations of a good awning. With the optional pitch adjustment gear, you yourself can determine the angle at which your awning cover protects you and your loved ones from the sun. And, if desired, a shadeplus, the versatile cover attached to the front profile to protect you from the low-lying sun and prying eyes. Beautiful simplicity! And simply beautiful protection against the sun.

LED Line in the folding arms and shadeplus
