markilux

The best under the sun

markilux 1710

The markilux 1710 interprets the classic awning shape in a contemporary manner. The conspicuously round torque bar merges organically with the round cassette to form an elegant design feature. Because of its shape, the optional LED lighting in the folding arms and the timelessly elegant decorative features in polished chrome, the markilux 1710 will stand out on any patio thanks to its presence and well-designed details.

Cassette awning
max. 700 x 350 cm

Arm technology
Bionic tendon

Options
LED Line in the folding arms, polished chrome fittings, coupled awning, stretch

markilux 1710 stretch

For great performance on narrow patios, balconies and in recesses: thanks to the two crossover arms even awnings with a narrow width can extend considerably further.

Polished chrome fittings

Side caps matching the awning colour or deliberately emphasised in finely polished chrome. This awning can simply wear anything.
